

Project Child Find

What is Project Child Find?

All Children deserve a chance to reach their full potential. Project Child Find, a service to assist families of children who may have special needs, is here in Oklahoma to see that every child has that chance.

Mission Statement

The Oklahoma Parents Center is dedicated to the equality of children and adults with disabilities. Our mission is to train, inform, educate and support parents, families, professionals and consumers in building partnerships that meet the needs of children and youth with the full range of disabilities ages birth through twenty six.

About Us

The (OPC) is a 501 (c)(3) non-profit agency that operates the only statewide federally funded Parent Training and Information Center (PTI) in Oklahoma.

This project is funded by the Oklahoma State Department of Education (OSDE). However, the contents do not necessarily represent the policies of the funding agency and endorsement should not be assumed.

**We Are Here
To Help!**

Some children are born with physical or mental conditions that can interfere with their growth and development. Luckily, many problems can be minimized or overcome if help is pursued early. Project Child Find connects children from birth through age 21 with services tailored to the special needs of the individual.

- **Free Screenings provided by local SoonerStart offices**
- **Free appropriate evaluations provided by local school districts**

All needed screenings and evaluations are provided free of charge.
