What is the Oklahoma Parents Center?

The Oklahoma Parents Center (OPC) is dedicated to the equality of children and adults with disabilities. Our mission is to train, inform, educate and support parents, families, professionals and consumers in building partnerships that meet the needs of children and youth with the full range of disabilities ages birth through twenty-six.

We are a 501 (c)(3) non-profit agency that operates the statewide federally funded Parent Training and Information Center (PTI) in Oklahoma. We are funded in part by the U.S. Department of Education, Office of Special Education Programs (OSEP) and the Oklahoma State Department of Education, Special Education Services (OSDE-SES). However, the contents do not necessarily represent the policies of the funding agencies and endorsement should not be assumed.

This survey is for families currently receiving SoonerStart services. Your responses will help guide efforts to improve services and results for children and families.

Your opinions matter! Would you share yours with us? One of the best ways to do this is to take the SoonerStart Family Survey each year. This survey asks for your opinions about the quality of the SoonerStart program. We use this information to guide the program toward improvement and to recognize areas of accomplishment. Without your opinions, we cannot identify areas of weakness and strength.

The SoonerStart Family Survey consists of 16 questions and should take you less than 10 minutes to complete. Your responses are entirely anonymous, unless you choose to share your contact information. None of the information that could be linked to you will ever be shared with SoonerStart site personnel. Your participation is voluntary, and you can stop the survey at any time (though we really appreciate complete surveys!).

The Family Survey is a collaborative effort of the SoonerStart early intervention program and the Oklahoma Parents Center, Inc. The data is reported as a whole to SoonerStart sites and to the U.S. Department of Education.

Thank you for your time and effort to improve Oklahoma's services to your children.
